As the owner of the above mentioned animal, I hereby give my consent to South Whidbey Animal Clinic, to perform the following procedure(s) while my pet is under either local or general anesthesia:

---

**Pre-Anesthetic Blood Testing**

If your pet is to be anesthetized, rest assured that advances in anesthesia have made routine procedures very safe. However, risks associated with anesthesia increases with age and pre-existing conditions may not be detected unless blood testing is performed. Before putting your animal under anesthesia we will perform a full physical exam and can run pre-anesthetic blood testing. Results are immediately available, and you will be immediately notified of abnormal results.

CBC and Chemistry Pre-Surgical Panel - \$106.00

I do not want lab work performed on my pet prior to anesthesia

---

I understand that during the performance of this procedure, unforeseen conditions may be revealed that necessitate an extension or variance in the scheduled procedure(s). I understand that while the anesthetic used in this hospital is one of the safest used in veterinary medicine. NO anesthesia is without medical risk. The nature of the procedure and risk involved has been explained to me and I realize results cannot be guaranteed. I am also aware that unforeseen events resulting from the procedure(s) will not relieve me from obligation to all reasonable costs regarding this animal.

I understand if I bring my pet in with external parasites (fleas/ticks/mites) that South Whidbey Animal Clinic will treat my pet as they deem necessary to prevent the spread to other animals. All animals admitted must be current on their vaccinations.
